## PINOT GRIGIO

Outstanding grapes from the hills of Italy produce a crisp, delicious, floral style of wine. Grown on slopes and valley floors in Northeastern and Central Veneto, Italy, this cool climate region is well-suited to the growth of spectacular Pinot Grigio.

Loaded with an intense, ample and persistent bouquet of fresh fruit and flowers, the taste is delicate and elegant, that is well-balanced by aromas of ripe fruits like golden apple and tropical fruits.

Enjoy with seafood, poultry, pasta dishes, or on its own.
