CABERNET SAUVIGNON

CALIFORNIA

Contour Cabernet is a pure and genuine expression of California Cabernet, without the use of additional varietals.

For the inaugural release of Contour Cabernet, we have selected the best fruit grown in the North Coast, providing tremendous depth, balance and quality.

Nestled between the Vaca and Howell Mountains, the sunny and warm climate of California's rustic Suisun Valley - on the Southeast side of Napa Valley, is perfect for slow-ripening Cabernet.

This 100% Cabernet Sauvignon was hand-picked in the early morning during mid-October, then sorted, destemmed, and crushed in closed-top tanks for fermentation at 80 degrees for optimal fruit extraction.

Introducing
CABERNET
SAUVIGNON

Contour Cabernet Sauvignon is built upon our shared passion for crafting superior wines at a price we can all appreciate.

Meticulously blended from our favorite appellations throughout California, Contour shines as an authentic example of exceptional California Cabernet Sauvignon.

The carefully selected vineyards stretch along the mountain ranges of the Pacific coastline, defined by picturesque valleys; each is uniquely characterized by rustic mountains with definitive contours, inspiring our wine's name.

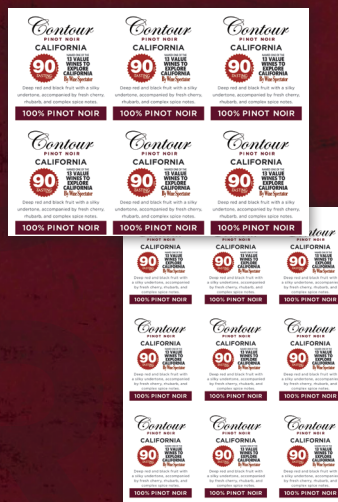

- **SOURCING:** From vineyards on the backside of Napa, in upper Suisun Valley.
- **HARVEST:** Hand harvested in early morning in October.
- **WINEMAKING:** The wine was racked in barrel for malolactic and aged for ten months in a diverse barrel regimen that includes new (20%), second use (30%) and neutral (50%) French oak from Cavin, Taransaud, François Frères and Remond cooperages.

- **TASTING NOTES:** Contour Cabernet is characterized by a dense fruit profile of blackberry and plum with savory spice and anise notes on the nose. The palate expresses great depth with brambly and dark compote flavors and a firm, robust texture.
