OH... SCHIST!

RIESLING

When life comes at you too fast, slow down, sit back, and enjoy this delicious 100% Riesling.

Grown on steep slopes of shale (schist) in Germany, the fresh fruit will come alive on your palate.

Enjoy anytime with lighter food or simply on its own!

“The palate is far more generous delivering waves of white peach, apricot, apple, and subtle tropical notes with mineral and grapefruit zest in support. LOVELY.”
