Tequila 100% de Agave

Silver

Grand Mayan Silver Tequila is produced at **NOM 1459** using the finest hand-selected mature Central Highland Blue Weber agave.

Slow-cooked in a combination of traditional brick and stone ovens and stainless-steel autoclaves, and then slowly distilled three times in copper pot stills.

Our Silver Tequila is bottled in beautiful hand-thrown and hand-painted traditional ceramic decanters by local artisans in Mexico City.

Perfectly smooth with notes of fresh agave and hints of citrus and pepper, this is the ideal sipping tequila or perfect for creating the finest cocktails. This exceptional tequila is a favorite of connoisseurs worldwide.

Grand Mayan Silver Triple Distilled Tequila is truly a very special tequila.
