

LACKNER-TINNACHER MORILLON SÜDSTEIERMARK RIED FLAMBERG

Region	Soil	Elevation	Alcohol
Südsteiermark	Limestone	400 to 450 meters above sea level	13%

Vineyard Flamberg

Grape Varieties Morillon

Vinification The physiologically ripe grapes were harvested by hand at the end of September. The grapes were gently pressed and the juice fermented in large wooden barrels with the vineyard's own yeasts.

Age of Vines A 20-month ageing on the fine lees gives the wine complex aromas, elegance and balance.

Tasting Notes This mineral and finely chiselled wine shows a delightful expression of freshness and finesse, with vibrant notes of Amalfi lemon and a bouquet of garden herbs. The palate is delicate and silky, supported by a medium-bodied frame that feels both refreshing and elegant. The finish is impressively long, marked by outstanding minerality and precision, delivering a pure and refined tasting experience from start to finish.
