SINCE 1620

THE OLDEST  
PORT WINE FAMILY

CRAFTED BY TIME

Time, in Port, is a most valued ally. It is time that will concentrate its flavours and touch of mystery. Time helps to mellow down the strength of tannins, the muscle and structure of the wine, the fresh fruit, flower and earthy aromas that a young Port holds. It brings new nuances of colour with touches of gold and hints of green and amber. The wine gains an extra freshness and a more luscious and vibrant feel. With unexpected tastes and aromas that spring with the passing of time, time is what adds that touch of surprise. We celebrate the magic of time, with our selection of old Tawny Single Harvest Ports.

## 1935 SINGLE HARVEST VERY OLD TAWNY PORT

### CONDITIONS

The weather conditions in the viticultural year 1935. Another dry winter, cold and wet spring and a variable summer. In 1935 there were also some memorable wines in the Douro.

### GRAPE VARIETIES

Produced 100% from well over three dozen of Douro red grape varieties, this Very Old Tawny Port ages in very old wood until bottling.

### VINIFICATION

All grapes are trodden by foot in traditional granite lagares, until fermentation is stopped with the addition of brandy. These wines are carefully aged in old oak barrels over many years. This slow aging process, over time, causes the wine to transform its bright red color into more amber and copper tones, thus creating a Tawny Port Wine. The longer the wine spends in barrels, the more it concentrates flavors of honey, toffee, caramel, tobacco, dark or white chocolate, ripe or dried fruits such as raisins, dried figs and plums. Wines are bottled only upon order. As the harvest is kept separate throughout its aging and is not blended with any other year, this wine is bottled as a Single Harvest Very Old Tawny.

### TASTING NOTES

Dark orange colour, with an olive green rim. Full of fragrances on the nose, hazelnuts and other dried fruit, orange flower, toffee. Intense and rich, spicy, honey and full of fresh acidity. An exquisite wine, that may pair with desserts such as crème brûlée, mille feuille, or simply as dessert itself. Always serve fresh.
