

# AMARO dell'ETNA

IMPORTED BY  
M·S WALKER  
SINCE 1933

Amaro dell'Etna is a 100% natural Amaro made from more than twenty-six herbs and aromatic plants, and is produced just kilometers from the base of Mt. Etna in Sicily at our distillery nestled between our organic orange groves.

**Tasting Notes:** Amaro dell'Etna is well-balanced with orange peel essence and a bitter sweet rhubarb finish. Enjoy on its own or in your favorite hand-crafted cocktail.
