

2021

**BEYRA
NATURAL RED**

Region	Soil	Elevation	Alcohol
Beira Interior	Granite and Schist	700 Meters	13%

Vineyard Vineyards planted in the plateau of Beira Interior wine region

Grape Varieties Mourisco, Rufete, Tinta Roriz, Borrão Jaen, Tinta Amarela, Touriga Nacional.

Vinification Hand-picked grapes, are fully-destemmed, immediately followed by crushing. Fermentation with wild yeasts and without temperature control, and gentle maceration done by hand.

Aging Aged in cement tanks until bottling

Tasting Notes This wine shows a very fruity nose with wild fruits with discreet, nuanced florals, note its youth and irreverence, smooth, wide and persistent palate with freshness and very soft tannins.

RED WINE 2021

Beyra Natural Bio is a natural red wine crafted from a blend of old vines in Vermiosa. Dry farming is practiced at an average altitude of 2,500 ft.

Exclusively native grapes are fermented with indigenous yeasts in concrete vats without temperature control, respecting the nature of each varietal and the natural vinification process.

The wine contains no additives, no elements were removed from the wine, and it was neither stabilized nor filtered.

May contain natural sediment. 13% Vol. 750 ml
