Vineyard Made from Tempranillo and Red Garnacha from vineyards in the 3 sub-areas in Rioja with different soil types: Rioja Alta, Rioja Alavesa and Rioja Oriental, northwardfacing in the foothills of the Sierra de la Demanda.

Grape Varieties 100% Tempranillo

Vinification Once the fruit has been chosen, the preparation is based on de-stemming the bunches and a light pressing of the grapes, prior to alcoholic and malolactic fermentation.

Aging The wine is aged in medium-roasted white American and French oak barrels for 14 months, with decanting every 4 months to facilitate the natural filtering process. It then stays for 6 months in the bottle for refinement.

Tasting Notes Cherry red in colour with a ruby rim; red fruit overtones present in the nose, it is smoky with hints of liquorice. In the mouth, it is clean, tasty, fresh and balanced. It has a lengthy finish, both fruity and spicy.
