

BURMESTER JOCKEY CLUB TAWNY RESERVE

Region
Douro

Grape Varieties Touriga Nacional, Touriga Franca and Tinta Roriz

Tasting Notes Bright garnet color with orange reflexes. Large and perfumed nose with an intense bouquet of dried fruits, spices, notes of caramel and a roasting touch. On the palate, it is full-bodied, unctuous and complex but, simultaneously, reveals a notable elegance extended in the persistent finish.

The aromatic richness and the flavors elegance makes it the ideal combination to serve with a diversity of desserts, such as pear and raspberry puff, pumpkin pudding with spices and coconut chiffon with milk caramel.
