

# BURMESTER TAWNY PORTO

Region  
Douro

**Grape Varieties** Touriga Nacional, Touriga Franca  
and Tinta Roriz

**Tasting Notes** Bright brown-tawny color. In the nose it is replete with ripe fruit with attractive vanilla nuances. The taste shows a delicious freshness and a well-defined fruity character. Velvety, round and remarkably engaging.

It is the ideal aperitif served with dried fruits. Combines perfectly with a large variety of desserts that have caramel, coffee, apricots and dried fruits. Magnificent with caramelized nuts, tiramisu, hazelnut meringue pie and brie cheeses.
