Vineyard Quinta da Cassa (Douro Superior)

Grape Varieties 40% Tinta Roriz
30% Touriga Franca
30% Touriga Nacional

Vinification Hand picked grapes, are received with full stalk and immediately crushed. Fermentation in stainless steel vats with small capacity, with temperatures around 24°C. Controlled and smooth macerations results in elegant and aromatic wines.

Aging 8 months in stainless steel vats. A small part of the blend ages in French & American oak for 3 mos.

Tasting Notes Aromas of red berries and spices with a full body and good finish make this wine ideal to enjoy with food.

Serve on its own or with traditional Mediterranean cuisine.
