Grape Varieties 60% Rabigato  
40% Viosinho

**Vinification** Cold fermentation technology in a reductive environment, with controlled temperature at about 16°C. Very gentle crushing and pressing in an inert atmosphere to preserve all the aromatic potential of grapes. All the pre-fermentation operations were carried out with great accuracy to preserve the intrinsic quality of the wine.

Aging 4 months in stainless steel vats

**Tasting Notes** Fresh mineral aromas, and citrus and floral hints which are very typical of high-altitude Douro white wines. Fresh on the palate, vibrant and fruity with medium finish.

Serve as an aperitif or with grilled fish, shellfish, pastas, pizzas.

**Reviews** 2024 Vintage  
**Decanter: 95 Points**
