

CORTE SANT ALDA INTI

Region	Soil	Elevation	Alcohol
Veneto	Medium textured calcareus soil	350 Meters	12%

Vineyard Bine Longhe

Grape Varieties Garganega 100%

Vinification With indigenous yeasts and a cellar temperature of about 40°F, fermentation takes around 40 days. The wine remains in cement until malolactic fermentation and complete decantation of the noble lees follow bottling without fining and filtration.

Age of Vines 12-25 years

Tasting Notes Full-bodied and robust, with flavors of honey, exotic fruits, citrus zest, and aromatic herbs.
