## CURRICULUM VITAE WHITE

**Region**  
Douro

**Soil**  
Schist

**Elevation**  
200 Meters

**Alcohol**  
13%

**Vineyard** Van Zellers & Co.

**Grape Varieties** Field blend from old vines

**Vinification** All grapes are destemmed before being slightly crushed by a pneumatic press and must decanted for 24 hours at 10°C in 2,500 litre stainless steel vats. The must is then racked into new 225 litres French oak barrels, where it ferments for 25+ days at controlled temperatures between 10–14°C. The wine will age in the same barriques for another 8 months, with battonage. CV—Curriculum Vitae is fermented and aged in a selection of the best barrels.

**Tasting Notes** CV—Curriculum Vitae Douro White is a wine with a notable freshness, fine aromas and citric notes. The oak is well integrated, not overpowering the great natural acidity and fruity aromas. Mineral and with a magnificent acidity, this wine has a long life in bottle.

**Reviews** 2018 Vintage
