

"I DIDN'T GO LOOKING FOR WINE, IT WAS WINE THAT CAME AND FOUND ME"

Since 2009, the year in which the winery was established, Fabio Motta has followed a linear and constant production philosophy, borrowed from his experience working in contact with the great winemaker from Bolgheri, Michele Satta: every bottle is the result of a personal vision, which is always faithful to the land and the vintage but never the same. Nothing has changed following Fabio Motta's entry into the Agricole Gussalli Beretta group: wine is intimately linked to the person who makes it and to the vineyard where it originates, and these are the elements that generate the value, personality and unique nature of every bottle.

BOLGHERI ROSSO DOC LE PIEVI 2023

96PTS, Decanter - "Aromas of sour cherries burst out of the glass, layered with dill and fennel. Vibrant on the palate with seamless tannins. A bright wine full of energy and finesse." — *April 2026*

92PTS, James Suckling - "This offers crushed berries, cassis, fresh rosemary and hints of walnuts on the nose. Medium-bodied with a deep, succulent core of berry fruit framed with velvety tannins, finishing firm and meaty. Drink or hold." — *James Suckling, July 2025*

BEST BUY, Wine Enthusiast - "The nose is cool and fresh, with aromas of blackberry tea, wild fennel and pomegranate, while the palate stays tangy and fresh but also adds a bright liveliness, with flavors of tea leaf, citrus, wild herbs and tart and sweet black fruit. Tannins are like big, polished, smooth paving stones." — *Danielle Callegari, November 2025*

BOLGHERI ROSSO SUPERIORE DOC LE GONNARE 2022

96PTS, Decanter - "Dark and brooding nose of black fruit, woodsmoke and cigar box. Dense in the mouth, with firm tannins, taut acidity and immense fruit concentration. Lovey oak integration gives the wine additional nuances and a seamless finish – will age well." — *April 2025*

94PTS, James Suckling - "This shows purity of fruit with beautiful aromas of blackcurrants, cocoa, pine needles and pencil shavings. It's focused and agile, with a medium body and compact yet superfine tannins, showing depth and integrity with vivid acidity coming through. The finish is velvety and long. Drink or hold." — *July 2025*

93PTS, Robert Parker - "The Fabio Motta 2022 Bolgheri Superiore Le Gonnare is a blend of 70% Merlot and 30% Cabernet Sauvignon, fermented in cement and aged in small oak barrels. Shaped by the hot conditions of the vintage, this wine reveals generous fruit and broad volume that wraps thickly across the palate. While the 2022 delivers notable richness and softness, the estate's restrained handling keeps the profile balanced rather than heavy. Produced in 10,000 bottles, this exuberant expression is best enjoyed in the near to medium term, when its sweet fruit character is at its most appealing." — *Monica Lerner, February 2026*
