Grape Varieties 100% Pinot Blanc

Vinification Immediately after the harvest the grapes are subject to a gentle pneumatic pressing in the cellar. The must is clarified by natural sedimentation and fermented using temperature control. A following period of refinement is carried out on fine yeast before the wine is bottled.

Aging 100% Stainless Tank - 6 Months

Tasting Notes Medium-full straw yellow in colour, fresh aromas of peach combined with apple and pear on the nose, elegant and zesty on the palate, harmonious in structure, round with masses of finesse and a hint of nut on the finish.
