

MARIS

ABOUT THE BRAND

Maris is a pioneering organic and biodynamic estate in the heart of France's Minervois region, where winemaking is guided by a deep respect for nature and terroir. Founded by Robert Eden, the estate was built on the belief that great wines begin with living soils, leading to regenerative farming practices that enhance biodiversity and vine health. Maris is also home to the world's first hemp-constructed winery, a symbol of its commitment to sustainability, innovation, and reducing environmental impact. The wines reflect the rugged beauty of the Languedoc, offering purity, balance, and a true expression of Mediterranean climate and ancient soils. Today, Maris stands as a global leader in sustainable viticulture, crafting wines that honor both tradition and the future of the planet.

THE WINES

CHARDONNAY

This delicate, fruity white is a real pleasure. It reveals a frank nose with floral notes opening onto aromas of yellow fruit and hints of vanilla. On the palate, this wine is well-balanced, with an extension of apple. Clean, taut finish.

MERLOT SYRAH

An expressive blend of organic Merlot and Syrah. A full-bodied and rounded wine.

RARE ORANGE

A very fresh orange wine with bright notes of summer fruits such as white peach or apricot, made from the "Muscat petit grain" grape variety.

ROSÉ

This rosé, with its bold colors, is a testament to exceptional sunlight. It reveals a fleshy pink hue. The nose and palate confirm this impression through notes of small red fruits and citrus. A perfect summer rosé to share with friends.
