MONTARIA RESERVA RED

Region
Alentejo

Soil
Clay

Elevation
653 meters

Alcohol
13.5%

Vineyard Montaria

Grape Varieties Syrah
Trincadeira
Aragonez

Vinification All wines were made from grapes planted at Herdade da Candeeira and Herdade da Vigia. The grapes were harvested in the best plots and fully destemmed on arrival at the winery. These wines were vinified in small stainless steel vats at a controlled temperature. Subsequently, some were bottled in order to preserve their young and fresh character, while others were deposited in oak barrels, where they remained for a few months, which gave them complexity and structure.

Aging 7 months in French American oak.

Tasting Notes Dark ruby color, with berries aromas and dark chocolate. The 7 months aging in oak contributes to the great structure of the wine and the potential for bottle aging.
