VAN ZELLERS (*CRAFTED BY HAND*) 20 YEARS OLD TAWNY PORT

	Region Douro	Soil Schist	Elevation 160 Meters	Alcohol 20%
	Vineyard	Van Zellers	& Co.	
	Grape Varieties	A blend of more than 30 different traditional Douro grapes from from very old vines.		
	Vinification	Grapes are crushed by foot before and during the entire fermentation. When the must is ready for addition of the grape brandy, the fortification is made in one single moment by adding all brandy to the must and skins in the lagare. Then, additional treading ensures good homogenization of the whole wine and the fermentation stops. The blend of brandy and must stays in the lagares (open air tanks) for 1-2 more days with a very slight treading twice a day for 10 minutes at a time. The blend is then racked in the storage vat together with all press wine. The wines are then aged in very ancient (more than 100 years old) wood Port casks.
